In addition, we have a lot of spring activities planned. We will be learning about many different spring animals and planning a nature walk to see if we can find these animals. We are also going to begin "Wacky Wednesdays". Each week we will post something wacky for your child to wear so please watch for these postings on the Parent Board.

Developmental 3

Hello March! This month's theme is Spring (one of my personal favorites!), so I have many fun and educational activities planned. We will be learning about flowers, plants, bugs, butterflies and nature. I have a lot of science and sensory planned for this month, so they will get a lot of hands on learning about Spring. We will also be focusing on the numbers 17, 18, 19 as well as name writing and recognition. Each day we will be reviewing a new letter and completing an art piece for that letter. If you have any empty walls at your house, you can start an alphabet wall to help your child with their letter recognition. Lastly, there are a lot of great holidays and center-wide activities for those holidays coming up, so keep a lookout for these exciting experiences! ♥Ms. Rebecca

PreK

This month we will learn about Daylight Savings Time, St. Patrick's Day and we will end our month with Easter fun! March 17 is St Patrick's Day so don't forget to wear your green! At the beginning of the month we will work on the clover and flower shapes and towards the end of the month we will focus on ovals, which make great Easter eggs. Finally this month we will focus on the last three letters of the alphabet Xx, Yy, and Zz; the numbers 17, 18, 19; and the colors green and yellow. Please remember to check your child's folder every night and to take home their sheets every Friday.

This month in Science we will try our hand at growing flowers and making rubber eggs and learning how to make mold. Our food projects have been fun and successful because of all the food donations. Thank you for your support and donations.

♥Ms. Tonja & Ms. Leonella

VPK A

Spring is in the air at VPK-A! We will be learning about flowers, trees, bees and butterflies. We will be raising our own butterflies and watching them grow.

We have a busy month ahead with Dr. Seuss week, St. Patrick's Day and our Easter activities, which will include egg dyeing, an Easter Bonnet Parade and an Easter Egg hunt. Please refer to the parent newspaper that I handed out for all of these activity dates. Your child will not want to miss out on all of this fun! There is no VPK from March 25 through April 4th. We will return to classes on Tuesday, April 5th.

As always if you have any questions do not hesitate to ask. Thank you for sharing your child.

♥Ms. Cindy

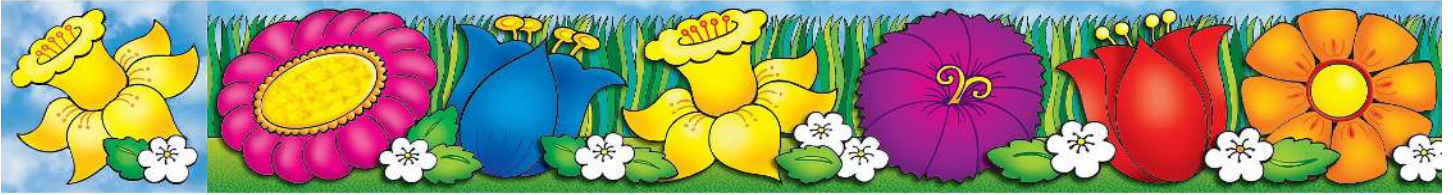

VPK B & C

February has come and gone and now it is time for Spring! This month we will be talking about bugs, flowers, butterflies and bees just to name a few things. VPK's Spring Break is from March 25th– April 4th and we will have no VPK for that week. We have quite a few activities coming up in the next few weeks so please keep an eye on our Parent Board for more details and sign-up sheets. Just a reminder that cap & gown pictures for VPK will be Friday, April 1st, if your child is VPK only they will still have to be here that morning if you would like to have them take pictures as there is no make up day. Please be sure to label all of your child's belongings and as always thank you for sharing your child with us.
