Admin News:

Summer has arrived! It will be very hot this year so please be sure your child has weather appropriate clothing on and in their cubby as extras. Water bottles are super important too on these days! Please be sure they are labeled with your child's first & last name. Water days will be coming soon, please make sure your child arrives in their swimsuit on their days so they can participate. We will always take donations of popsicles and water toys that they can utilize. They all will be greatly appreciated! Classrooms from 2A and up are transitioning to their next stages this month so please be sure you get introduced to your child's new teacher! Happy June!! :)

Love, Ms. Tawna
