Welcome to July, where summer is in full swing! This month we're are thrilled to present a variety of engaging activities for your children. Our annual 4th of July parade will be held on July the 3rd.

We plan to "Celebrate America" with your child as we learn about some of the important American Symbols of our great country .We are still learning about letters, numbers and our colors, we are also learning

to follow directions , build social skills and positive relationships.

We will also be celebrating Ava's 3rd birthday on July the 8th.

Parents please remember to have weather appropriate clothes in your child's cubby as well as a water bottle every day with first and last name on it. Please make sure it has a lid that can be closed.

Thank you so much!

Love always

Miss Nieve.

If you haven't connected with our summer group on class dojo, please leave your number.

Mrs. Danielle or Mrs. Liz so we can connect you.

Our fourth of July party will be on July 2nd, a party list will be posted to sign up for treats. We will be melting crayons this month and making chunk crayons with them, so we can see how they melt and become firm again.

We will be focusing on planets and experiment with baking soda to see how rockets fly.

If you have recyclable items at your home we would like you to bring it in so we can make astronaut suits at the end of the month.

Thank you for everything! Summer will be a big hit!
