The first few weeks of school have been so much fun! Teachers and students alike are adjusting well to their daily routines. Our focus for this month is on "community helpers," and we deeply value their contributions. If you or someone you know serves as a community helper, we invite you to join us and share your experiences in a lively and interactive manner with our students. We are eager to ensure that your school experience remains engaging throughout the year with a variety of enjoyable and educational activities!

## September already..... **Infants**

I would love to welcome Ms Rosie to the nursey, as she will be my co-teacher in caring for our littles. I would also like you to welcome Payten and Esther to the nursery, they both seem to be fitting right in exploring the room and making some new friends. Please parents, just a friendly reminder to always have ALL BOTTLES + LIDS labeled with your child's first and last name, and be sure to have extra clothes for your child for that "just in case". Thank you for sharing your little ones with us. Have a safe and happy month!

Nursery Teachers,

*Ms. Kerry & Ms Rosie*

This year is flying by! September is here, we are ready for community helpers month. I have a lot of fun things planned to get the children involved and engaged. We will also be celebrating Grandparents Day with a cute art made by the kids. We are switching over to procare for lesson planning, monthly food menu, and incident reports, as well as daily updates. We are pleased to welcome Gabriella to our class! She is having a great time learning about her new school and friends. We want to wish Hudson & Jakari the best of luck in their new room. Thanks for trusting us with your babies everyday!

Love D 1 teachers,

*Miss Connie Miss Zuria*

## VPK

We had a great start to our 2024-2025 school year! We are continuing our letter recognition with letters Ee, Ff, Gg and Hh. This month's theme is Community Helpers. We will continue to work on classroom rules, basic writing, class songs, counting in English and Spanish, and beginning working on our cutting skills. Please do not bring any toys to school so they don't get lost in class. Every Friday we will be sending home a folder with your child's work please return the folder on Monday. If you haven't done so already please bring in a family picture. Please have your child bring in a labeled water bottle each day.

## D2-3

Wow! It's hard to believe it's September already. It has been a great year so far! This month we will be learning all about our community helpers. We will be learning about our everyday heroes such as police officers, doctors, firefighters and nurses. We will also be learning the letters E, F, G, & H and the numbers 3, 4, & 5. We look forward to another great month of helping your little one grow.

Thank you for sharing your child with us!
