Developmental Ones

Welcome to the Wild Ones! We are so excited for our fall lessons. Learning through play has been a smooth and easy transition. Taking turns and learning about our feelings during our circle time has been very rewarding. We are sticking to our routines in this class. Playing music, singing, dancing helps us manage a happy class. We ask that you help us continue to label your child's belongings. We also ask that you keep your little one's nails trimmed. If you haven't yet, please bring in a family photo for our family tree.

Love, Ms. Chandra

Hello Parents and Happy Fall!

We have an entire month of fun filled activities planned for our class to enjoy. Please make sure you are on Pro-Care and checking regularly as this is how I am updating you all on your child's daily activities including sign ups for our Fall events. This month we will be talking and learning about nature. As we continue into the month we will be learning about the lifecycle of a pumpkin, their shapes and sizes. We will also be watching the movie, Spookly the Square Pumpkin. To finish the month off, we will be having a fun filled fall fest in our classroom. We will be playing different games, painting pumpkins, and having a mini trick or treat in our classroom—if you are able to please donate candies (without peanuts please!).

Thank you for your continued support!

Love, Ms. Veronica

VPK A & B

Hello October, we are so excited to see what this month will bring! We are going to start our Christmas holiday program practice. Please keep your eyes on the bulletin board for special announcements and fun activities for this month. We will be working on letter Ii-EI and numbers 6-8; also we are encouraging parents to work with the children on their name practice. We want to wish a Happy Birthday to our friends; August, Theo & Salome and we like to thank all of our parents who make our Friday's food tasting happen.

Lets have a spook-tacular October!

Love, Ms. Dee & Ms. Lupe

VPK C & D

October already?! Miss Kyla & I have so many exciting things planned for this month! Be on the lookout for information regarding pumpkin donations and our spooky PJ party on Halloween day! Please be sure to take home your child's folder every Friday as it contains Homework as well as information regarding the Christmas program as we are starting rehearsal for the event. Also, be sure to empty the folders as they will have their work that they have done all week inside as well.

Thank you for all of your support!

Love, Ms. Kyla & Miss. Cole

VPK E / G

Happy October!

This month we will be doing a lot of fall crafts, Halloween preparations, etc. We are excited about doing our fall experiments for example we are going to make a volcano out of a pumpkin. We will be having a Halloween party for our classroom so please be on the lookout for a sign up sheet as well as more information regarding this event.

We cant wait to see what else this month and this season have in store for us!

Love, Ms. Marisa
