November is the month of gratitude, folks! Let's crank up the thankfulness for our little munchkins, their health, and the heaps of love and giggles they sprinkle in our lives. Shoutout to all the amazing mommies and daddies for their tireless efforts and support. Don't forget to pack weather-appropriate clothes and slap some labels on those caps and bottles! We hope you snuggle up with your favorite people and have a Thanksgiving filled with joy and laughter!

Gobble Gobble from our adorable little turkeys! November is the month of family feasts! We'll keep rocking our alphabet, numbers, flash cards, and of course, fun projects. Don't forget to bring in a family photo for our classroom tree—kids love checking out their family snapshots! We can't wait to see all the learning adventures ahead. Just a reminder: please label cups with first and last names, and ensure those cubbies are stocked with weather-ready outfits!

Welcome to the fabulous month of November! This month, we're diving into the theme of Families! If you haven't done so yet, please send in a family photo for our awesome family tree—kids absolutely adore checking out the pics and chatting about their loved ones. With Thanksgiving right around the corner, it's the perfect time to get our gratitude hats on! We'll also be zooming through the letters M, N, O, and P. As the temperatures begin to shift, don't forget to pack your little one some weather-ready clothes! Have a blast making holiday memories with your family!

Ms Yoanka

We can't believe it is already November! This month is all about families and being thankful. October was a busy month with all our Halloween art projects and activities. This month we will be learning about the letters M,N,O and P, Purple and Brown are the colors, triangle and heart are the shapes. We

will continue to focus on number recognition and counting to 100. We will be introducing compound words to help build the students vocabulary but also help with future success in reading large words. We will be having a small VPK family craft time. We will also be having a thanksgiving party. Watch the door for a sign-up sheet. We are so thankful to have such a great classroom of students this year! Can't wait to have an amazing month!!
