Administrator's News...

Dear Parents,

A word from the Admin: It is so wonderful that we have a whole month to remind us about love, "All you need is love". Teaching our sweethearts all about friendships and acts of kindness. Valentines Day is coming so, please look out for sign-ups sheets on the door outside of your child's classroom. We are truly excited about welcoming Ms. Carol to our Administration team. We are grateful for all the support that the families give us to help our little sweethearts grow.

February is Black history month, it is a time when we celebrate influential people that made important contributions to the United States. "Where there is Family, there is Love".

There are lots of activities such as arts and crafts we will be doing to introduce Valentine's Day to the kids. During this month the weather will be cold and changing quickly, so please be sure to bring weather appropriate clothes for your child.

Ms. Kerry

I want you to know how much I love you and how special each one of you are to me. Your smiles, laughter, and hugs brighten my days and fill our classroom with love and joy. You are like little rays of sunshine that make everything around you shine. Every drawing, every word, and every achievement fills me with pride. Never forget how valuable you are and how much you can achieve with your big hearts. Today we celebrate love and friendship, but I want you to remember that every day is special when we are together. Thank you for making our class a place full of happiness and love.

With all my love
