Dear Parents,

It's just about spring! Now that the weather is warming up please remember to dress your child weather appropriately and that it may rain some days.

Our March curriculum entails the following themes and learning topics: Spring as it relates to Flowers, Bugs, Butterflies & Bees, and Spring Animals & Nature. Classes will focus on the colors **Pink**, **Yellow** & **Green**, the shapes Oval, Flower, & Clover, the numbers 17, 18, 19 (3 yrs & older) or 6, 7, 8 (for children under 3) , and if your child is under 2 years old, will focus on the letters X, Y, Z and if older than 2 years old, will focus on the same letters however will discuss both upper and lower case letters and their use.

Dates to remember!

March TBD-VPK Cap & Gown

March 14th-21st- No VPK-Spring
Break

March 17th- Happy St. Patrick's Day

Happy Birthday!

Ms. Brooke 3/29

INFANTS A

I hope everyone enjoyed their Valentine's Day and gave their loved ones extra loving.

March will bring us lots of Spring focus. This month we will be celebrating St. Patrick's Day and the first day of Spring. We will be learning all about Spring and Nature through books and music. Please send in a family photo if you haven't already so we may display it on our family wall in the class. I hope everyone enjoys the start of Spring.

♥ Ms. Tina

CLASSROOM 1A

Hello Spring! We are so excited to be back in the class creating memories with your children. Springtime is here and our little bees are buzzing! This month, It's all about bugs, flowers and nature! Of course, we will have plenty of art projects to do! We will be focusing on letters X,Y and Z and numbers 6,7,& 8. Our colors this month are pink and yellow and our shapes are oval, flower and clover. We have many fun activities planned for this month , like planting flower seed and growing butterflies! Keep an eye out for the sign up for our St. Patrick's Day Party.

We love to party!!

♥Ms. Maritza

CLASSROOM 2A

Welcome March.

Thank you to all the parents that brought in treats for our Valentine's Day party. We will be having our St. Patrick's Day party Monday, March 17th, any donations are welcome!

We will talk about the spring season and continue our ABC's, 123's, shapes and colors. This month for creative art we will be making green leaf clovers and pots of gold.

♥Ms. Brooke

CLASSROOM D3 & Pre-K

Welcome Spring! Good bye Winter!

February brought us a successful Valentine's bash, Thank you all for your generous contributions that made our party a hit.

March brings us another celebration as I'm sure you can guess. St. Patrick's Day gives us another opportunity to party, how lucky are we?

This month we will focus on all things Spring. We will make flowers from shapes. We will also be focusing on writing our names and letters in the alphabet.

We have diligently been working on our fine motor skills and getting progressively better at writing. Ask us questions to find out what we have been learning.

Ms. Kelly

VPK A Ms. Tonja

March 17th, we will have our St. Patrick's Day party. There will be a sign up sheet posted soon. Please dress your kids in green!

We will start this month off talking about the changes we notice as it turns to Spring. We will learn about gardening by growing some flowers and talk about the different types of foods we can grow. Let's see if we can grow a lima bean in a jar. I wonder how long it will take to sprout!

In science we will make rainbows using everyday items, talk about how rainbows were made, and what causes rainbows to appear.

VPK B MS. LUZ

This March we will learn about and celebrating both St. Patrick's Day and Dr. Seuss's birthday! We will take nature walks to see what kinds of butterflies and bugs we can find. We will also discuss the first day of Spring!

We will continue to prepare for our graduation so keep an eye out for information on Graduation pictures and dates.

VPK C Ms. Maylin

As we leave February, we look back at a great month of activities. Our Valentine's Day party was a success. The kids loved sharing valentines, playing musical chairs, and enjoying treats with their friends.

This month, we look forward to March to prove to be a very fun and exciting month full of new learning experiences. This month we will learn about St. Patrick's Day and celebrate Dr. Seuss' birthday to include learning who he was as an author of children's books. We really look forward to learning so many new things.

We continue to prepare for our graduation, we are so excited to show you what we have learned.

March Fun Facts:

On March 10, 1876, Alexander Graham Bell made the first-ever phone call. It was to his assistant and he said "Mr. Watson, come here. I want to see you."

The Eiffel Tower was ascended for the first time. Eiffel himself led a group of government officials and members of the press to the top. The elevators were not in operation yet, so the journey was made on foot and took over an hour.

President John F. Kennedy founded the Peace Corps on March 1, 1961. It is a successful volunteer organization that has since sent at least 235,000 Americans abroad to developing countries to help with health care, education, and other human needs.

The popular social media outlet Twitter was launched on March 21, 2006, with the first tweet going out the same day. It was posted by the founder, Jack Dorsey, which read "just setting up my twttr."
