Admin News:

Spring is in the air! Another month of fun learning activities for all our children. We can't wait to see all of the children with their wackiest hair, craziest socks and most creative Dr. Seuss characters during our spirit week.

Just a reminder VPK starts at 8:30 please have your child here by that time, when children come in late they miss a critical part of learning and have trouble settling in to the rest of the day.

Thank you,
Mrs. Diane
Mrs. Erica

Developmental Ones

Welcome to the wonderful one's classroom! This month we will be focusing on a few things starting with the season of spring, so be ready for some awesome bright fun projects, we will also be introducing the letters X,Y and Z, the numbers 6,7 and 8, and the colors yellow, green, and pink, and lets not forget our shapes which will include a clover, oval, and spring flowers. I have a fun filled, jam packed month of learning ahead of us for your littles. All of our activities will help work on your child's social, gross and motor skills.

Love, Ms. Tracy

Developmental Twos

Dear Parents,

My name is Miss Hannah! A lot of you might know me as the One's Teacher but I'm very excited to be the New Two's Teacher. Our upcoming theme is "Spring". As we transition into the warmer months, our focus will be on all things spring! We will engage in fun activities that celebrate nature, including planting seeds, learning about flowers and insects. I also understand that some children may be ready to begin potty training and I am here to support the process. If you are interested in starting potty training, please let me know. Also, please make sure your child has extra clothes in their cubby as we will be involved in activities that may get messy. I look forward to a fun enriching spring together in the Two's room! If you have any questions or concerns, please do not hesitate to reach out.

Love, Ms. Hannah

VPK E & G

Hello all of you wonderful VPK families, the month of March is upon us. I am excited for this month in which curriculum activities will be centered around not only the spring theme but we will also dive into learning the letters X, Y and Z. We will have a spring party March 13th and continue our practice of the graduation songs. I have been implementing calming strategies, as well as friendship and welcome songs to bring a sense of family within our school group. I'm thankful to be your child's teacher and I look forward to a fruitful and fun month ahead.

Love, Ms. Helen
