## Dates to remember!

April 15th-17th—Easter Activities

April 17th—Easter Bonnet Parade

April 18th—Wellington Closed—Teacher In Service Day

April 21st—No VPK Easter Monday

Dear Parents,

We are so excited that it is April! This year is going by so fast already!

We are so proud of our VPK classes and all the hard work they've been doing this year. Graduation is right around the corner, details to follow! Please make sure you let us know if your child will be attending graduation!

Please be reminded we post pictures each weekend to your child's class Facebook page which shows weekly events in your child's class. Check it out if you haven't already!

♥Wellington Family

Happy Birthday to our Director

Ms. Niki, may your day be filled with all the love your heart desires.

Love ,

Your Wellington Family!

Ms. Níkirí 4/1

Olíva 4/3

Roman F. 4/8

Ramsey 4/13

Ms. Luz 4/18

Maxímus 4/20

Elíjah 4/26

## INFANTS A

Welcome to Spring! We will spend time this month learning about animals through art experiences, which will include learning about their habitats. Animals make wonderful sounds which we will learn about through music and books. We will also be dying eggs to go into our Easter baskets. We have been having an amazing time with our new friends, Amani & Claire. Welcome to our Infant class!

♥ Ms. Tina

## CLASSROOM 1A

April will be filled with a plethora of activities to get us learning about animals and all that encompasses them, their habitats, eating habits, and sleeping patterns, boy I wish I was a bear, I could use the sleep :)

Please send in a family photo that we can put on our new family tree. This allows the children to see your fabulous faces even when you are not here.

♥ Ms. Maritza

## CLASSROOM 3A & PRE-K

Spring has sprung and we're gearing up for "Animals in Action." Keep a look out for all the wonderful activities that we will experience while learning about animals.

We want to welcome Zariah to our class.

Thank you to everyone for your contributions for our St. Patrick's Day party, it was a fun day. We have Easter this month with an egg hunt and an Easter party.

We will be continuing review of our letters, numbers, days of the week, months of the year and we will practice writing our letters in trace form.

♥Ms. Kelly

## CLASSROOM 2A

I would like to take this opportunity to thank everyone for their participation for our St. Patrick's Day party, it was awesome!

This month we will focus on animals in action and also continue to focus on our colors, shapes, numbers, and letters. We will also be celebrating Earth Day and making shirts. Please see Ms. Brooke for details about that.

Please make sure your child has a clean set of extra clothes along with extra bedding for nap in case of accidents.

Please keep in mind, we discourage children from bringing in toys from home as they can cause a distraction and can be damaged.

Look around our class at our activities that we hang with pride. Ask us about what we learned while being creative.

We wish everyone well and let's have an awesome April!

Thank you.

♥Ms. Brooke

## VPK A Ms. Tonja

March is making its exit, but April is busting in with a truckload of awesome learning opportunities. Last month was a party, with crazy celebration for Dr. Suess' birthday, wacky bean growing, cool St.Patricks art activities. We somehow managed to survive our journey through the alphabet and numbers 1-20.

This month we're going wild with a safari ecosystem where we will meet all the crazy animals that call it home. We will dive right into zoos and farms where we will learn about the hard work that goes into caring for the animals. And to top it off, all towards the end of the month we will be discussing what the world would of looked like back in the dinosaur days.

Science class will be filled with experiments that will have us making bouncy balls out of household items, create rubber eggs, and munching on some monkey chow. Be on the look out for our special Easter events, such as a visit from the Easter bunny, dying eggs and of course our Easter party.

## VPK B MS. LUZ

Hello April! This month our theme is animals in action. In the beginning of the month we will enjoy our Easter activities. Our class will get the chance to dye some eggs, there will also be a Easter egg hunt. We will focus on reviewing letter sounds and other language activities such as rhyming, compound words, and sight words.

Our colors this month are brown and gray. We will focus on the shapes triangle and rectangle. We will discuss all the different types of animals that live in the jungle, zoo, and farm. In math, we will learn how to count by 2s, 5s, and 10s.

It's hard to believe that next month we will be graduating. Make sure you have your children here by 9am so that they don't miss out on graduation practice.

## VPK C Ms. Maylin

In March we had a nice birthday celebration for Dr. Seuss. The kids really enjoyed it. If you haven't looked yet, check out our Facebook photo albums.

Welcome to April.! This month we will be discussing the different themes on animals in action. We will be working on vowel sounds. In math, the students will be learning how to count by 2s, 5s, and 10s. We will also continue working on different skills like rhyming words and sight words.

Please remember to work with your child on nightly assignments for homework. We are trying our best to prepare them for kindergarten.

[Did you know?:](#)

April is named for the Greek goddess of love, Aphrodite.

April also only had 29 days, but a 30<sup>th</sup> day was added when Julius Caesar established the Julian calendar.

**April Fool's Day:**

My favorite April Fool's prank is pretending I'm going to leave the couch.

**What's the difference between Thanksgiving and April 1? Being thankful versus prankful.**
