## Infant's Class

As we enter the month April, we will be learning more about our kind furry friends and their offspring we are so glad you are able to join us. April is filled with fun and celebration in our infant daycare class! We'll be celebrating Easter with colorful books, easter egg activities and imaginative activities to spark creativity. We will also embrace Earth Day in our classroom, bringing a little bit of nature and fun together to have a good time.

Thank you,

Spring has sprung!

April is all about Animals and Easter! We will be doing tons of activities with animals in their environment. April is a busy month, so please keep an eye on the schedule, we have our annual easter Bonnet Parade! I will send a message to Pro-care with ideas from previous years!

We are working daily on our skills, especially our language skills and fine motor skills. The office will be enforcing late arrivals, so please be on time, so your child can experience all the learning they can get! All learning time starts at 9 am.

Any donation of bubbles and playdoh is appreciated! Excited for another month nurturing your little one.
