Dear parents

Happy October! We are so excited to welcome fall and get our holiday season started. This month we will be celebrating with a fun fall spirit week, our fall festival, and our individual class parties! We have put out sign-up sheets for our fall festival on the office counter; this year we will be hosting a community wide trunk or treat. We would love to see as much parent participation as possible so please sign up if you can! If you do not want to do your car, you are also welcome to set up a table or any cute station with a game or activity, or even just a table with candy or treats. The vibe is a Halloween/fall block party. There will be games and activities for all ages as well as food and drinks. We are so excited to see you there! As we welcome a Florida fall, please be sure to keep an eye on the weather daily. We will not be expecting any true chilly days, but the early mornings may bring in cooler weather where a thin jacket or a long sleeve may be warranted, but please remember that the days are still pretty warm and they may get too hot outside if they do not have the proper clothing on. Please do not forget, Wellington will be closed on Monday, October 19th for our first teacher in-service day of the year. We are excited to see what our October brings!

Last month we had such a great time celebrating Grandparents Day, I would love to say a personal thank you to the lovely parents in my class for the birthday wishes, I appreciate them so much! This month we have a couple fun celebrations; we have our wonderful Olivia's birthday this month on the 6th as we get ready for her transition into the 2's class. We will also be having our fall festival on the 23rd as well as our class Halloween party on the 30th ! We are so excited for all the fun. We are keeping up with our amazing progress in class. Our friend Olivia has shown she is ready to move up to the two-year class, Claire and Ace are having so much fun in art, Psalm has learned all of our circle time songs, Raymond is using new phrases all of the time, and Jack has learned to count 1-4. They are doing so wonderfully!

This month we will focus of nature in our class. We will learn about leaves, pumpkins, and fall animals to celebrate the changing of the season into fall. We will also do some fun Halloween activities later in the month! This month we have some fun activities planned we cannot wait for. We have our fall spirit week, the fall festival on the 23rd,as well as our Halloween party in our class on the 30th ! We are also getting ready to welcome our friend Olivia into our class from the 1 year old class, she is going to do wonderfully in here! We are looking forward to all of the fun October brings!

We had a fantastic September focusing on our community helpers and giving them the appreciation for all that they do. This month we are diving into nature and paying specific attention to the nature all around us for Fall! We are going to be doing a class made sensory bin so I ask that you send in something with your child that has a fun texture that relates to fall in some way. I can't wait to see what you bring! To celebrate fall, we are having a fun spirit week as well as a fall festival and a fun Halloween party.

This month truly is something to look forward to!

This month, our theme is nature! We are going to explore our theme through nature walks, stories, art, and hands-on activities throughout October. We will be focusing on seasons, weather, and the importance of nature all around us. We are very excited to dive into this theme! This month we will be celebrating our wonderful Elise on her birthday, the 19th. We will also be celebrating our transition into fall with a fall themed spirit week, as well as our fall festival on the 23rd! We will be celebrating Halloween on the 30th with a class Halloween party as well. We are so excited about all of the fun things planned for this month!

♥ Ms. Lisa
