Dear Wellington Families,

Happy November! This month, our little learners will explore the theme of families as we celebrate the people who love and care for us. Please check Procare regularly for classroom updates, and important messages, keep a labeled change of clothes in your child's cubby, bring a jacket for the cooler mornings, make sure your child washes their hands before entering the classroom. Please have your child here BEFORE 9:00A.M. so they do not miss the morning activities! Thank you for your continued support and cooperation. Let's make November full of love, learning, and happy little memories

With Love,

Miss. Zuria

Welcome November ! Family is very important in our lives. Our family gives us love, care, protection, and support. With our family we learn to respect, share, help others, and be good people.

Every family is special and different. Some families are big, and some are small , but all families deserve love and respect. Always remember to love, respect, and take care of your family. Family is a beautiful gift!

Love Always, Ms. Yoanka

Dear Families,

November is here, and we are so excited for a month full of learning, eploring, and giving thanks! This month, our preschoolers will be learning about Cultural Diversity, discovering how people around the world celebrate and live in unique ways. We'll also learn about Animal Families and how animals care for their babies just like we do. As we get closer to Thanksgiving and what it means to show kindness and gratitude, throughout the month, we will be learning the Letters M,N,O and P, practicing our numbers 1-10 and continuing to distinguish letters and numbers, exploring the colors purple and brown, and identifying the shapes triangle and heart. We'll also be celebrating with our Thanksgiving Party. So please keep an eye on the Procare app. For event details, updates, and reminders. As a friendly notice, we will be closed on Thanksgiving Day and Black Friday so families can enjoy the Holiday together. Please remember to send an extra set of clothes for your child for your child (labeled with their name) and to check the Procare app daily for classroom updates and photos. We're looking forward to a wonderful month filled with learning, friendship, and gratitude. Thank you for your continued support and partnership!

Thank you for sharing your child with us
